## Wharf Hotels Presents a New Vision for Sky-High Niccolo Hotels at International Luxury Travel Mart (ILTM) Asia 2018

21 May 2018 (Hong Kong) – Niccolo Hotels, the luxury contemporary chic hotel collection by Wharf Hotels, welcomes Asia Pacific luxury buyers and top international travel agents to ILTM Asia 2018 from today through 24 May 2018, held at Marina Bay Sands, Singapore. Niccolo Hotels will be exhibiting its hotels at booth C41 during the industry’s flagship tradeshow and presenting its vision for luxury sky hotels at the event’s Media Briefing on 22 May.

Wharf Hotels, Hong Kong based hotel management company, successfully debuted Niccolo Chengdu in 2015 at premier address Chengdu International Finance Square (IFS), subsequently expanding its footprint to Chongqing and Hong Kong in 2017 and early 2018 respectively. Scheduled to open in Changsha later this year and Suzhou in 2019, Niccolo Hotels aims to elevate the brand’s positioning to be renowned for contemporary chic hotels with iconic status and sky-high views crowning the top floors of stately towers.

Aimed at today’s luxury entrepreneurs and leaders in business and style, the understated sophistication associated with Niccolo Hotels has allowed the brand to establish its connection with corporates, agents and hosts to become the epicentre of events in each city where it resides.

“We are delighted to present Niccolo Hotels at ILTM Asia this year, the industry’s impressive tradeshow for luxury buyers and travellers. Niccolo is inspired by luxury fashion, and there is no other occasion in the world where you will see the industry’s gathering of professionals express its fashionable disposition as you do at ILTM, making it a perfect partner for Niccolo Hotels. Bringing the Niccolo vision to the crème de la crème of global agents who have their eye on Asia Pacific is a strategic part of our sales and marketing strategy for our hotels,” said Alka Datwani, Group Director Branding & Communications, Wharf Hotels.
