WITH  
A HARBOUR GLOW

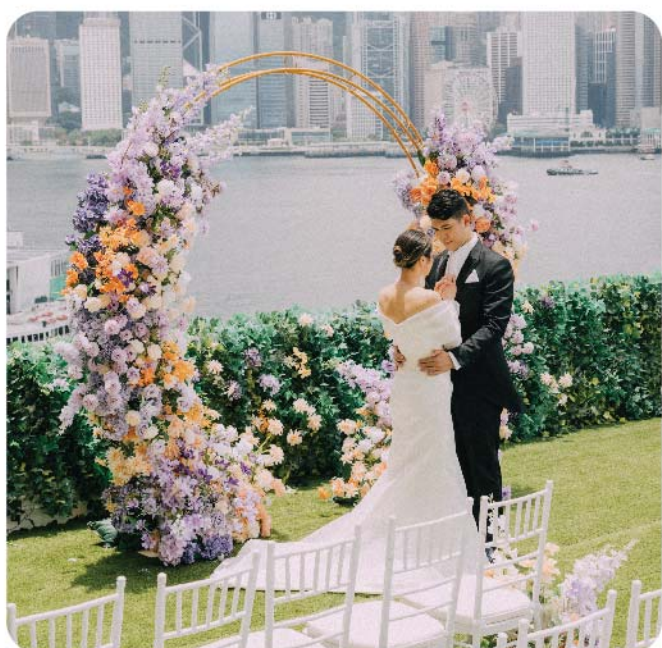

## A Harbourfront Heaven for Wedded Bliss

Imagine saying "I do" against the breath-taking backdrop of Victoria Harbour. Cucina offers an enchanting al fresco setting to seal your love in the twilight of dusk or in daylight's warm glow.

Within this idyllic harbourfront oasis, exchange your vows and share your first wedded kiss as ferries glide by. Continue celebrating your union with a lavish reception within Cucina's sophisticated interiors. Charm guests with delectable Italian fare as you toast to your future, all while being wowed by the glittering cityscape framed by the restaurant's floor-to-ceiling windows.

Let our dedicated wedding experts craft your special day down to the finest details, ensuring your love story begins perfectly in this magical waterfront setting.

A romantic wedding ceremony setup on a rooftop terrace. In the foreground, several white-covered chairs are arranged in rows. Behind them is a lush green hedge. A large, circular metal arch, heavily decorated with white roses and greenery, stands prominently. In the background, a body of water is visible with a ferry boat, and the Hong Kong skyline, including the Hong Kong Ferris Wheel, is seen across the water.
