

For Immediate Release

**Marco Polo Ortigas, Manila receives THIRD consecutive
Diversey™ Clean and Ready Stamp**
Pasig City's leading hotel scores 100% on global audit for safety and sanitation

MANILA, Philippines — For the third consecutive year, Marco Polo Ortigas, Manila was awarded the Diversey™ Clean and Ready Stamp for 2022, which reinforces the hotel's commitment to implementing best practices in safety and sanitation, even as restrictions continue to ease in the Philippines. Part of Diversey's SHIELD Program, the Clean and Ready Stamp honors organizations who uphold excellence in combatting known viruses and bacteria. Marco Polo Ortigas, Manila obtained a perfect score of 100% for its 2022 review year, which was the same result garnered in 2021.

Marco Polo Ortigas, Manila was the first to receive the FIRST Clean and Ready stamp in the Asia Pacific region in 2020. As the hotel strengthens its commitment to ensuring the safety of its stakeholders at all times. "Organizations around the world were compelled to implement more stringent health and safety policies as a response to COVID-19. While we understand that community restrictions in the Philippines and different parts of the world are easing into the "next normal," our team at Marco Polo Ortigas, Manila has adapted our policies and processes in retaining the valuable lessons from 2020 and 2021. This strengthens our promise of integrity to our guests, stakeholders, and our associates—that we hold their health and safety at the heart of our business daily," said Colin Healy, the hotel's General Manager.

Under its SHIELD Program, Diversey audits organizations based on four key safety and sanitation aspects: policies, protocols, training, and personnel engagement. Being awarded the Diversey™ Clean and Ready Stamp confirms that Marco Polo Ortigas, Manila has the necessary tools, framework, and associate know-how to properly mitigate health and hygiene risks posed by known diseases such as COVID-19.
