## SAVVY AND HACCI JOINTLY PRESENT REFRESHING HONEY COCKTAILS

*Guests can enjoy the elegant sweetness of two cocktails inspired by HACCI's beauty honey.*

Hong Kong SAR, China, 2 May, 2023 – SAVVY is collaborating with Japanese beauty honey brand HACCI in May and June to present two innovative honey beverages. Handcrafted by SAVVY's Head Mixologist, Ms Pauline Rose Torres Escolano, the **BEE-MINE** and **HONEYLICIOUS** offer guests a refined experience with its tantalising aromas and refreshing sweetness.

Honey is known as a natural health food brimming with vitamins and minerals that bring numerous beauty benefits, including skin rejuvenation, whitening, moisture retention and antibacterial properties. By making use of HACCI's beauty honey, the two drinks allow guests to enjoy a sweet and health-boosting tipple.

The **BEE-MINE** cocktail features muddled honey fresh pear, vanilla, chamomile tea, Drambuie and whiskey flavoured with maple syrup. This combination results in rich and elegant floral notes with a refined sweetness and slightly astringent aftertaste. This elegant drink is decorated with a bee-like lemon peel filled with fried sago for an Instagrammable finish.

Meanwhile, the **HONEYLICIOUS** mocktail is a bright and graceful drink that boasts a gorgeous yellowy-orange hue. Honey-infused orange, cinnamon and star anise are mixed together and topped with an ice cube and tonic water to give a refreshing taste. The beverage is then decorated with a marshmallow, lemon peel and rosebud on top. A drop of HACCI beauty honey is added at the end to complete the beautiful drink.

The BEE-MINE (HK\$118) and HONEYLICIOUS (HK\$100) are available from 1 May to 30 June 2023. Guests who order the drinks will receive a voucher for a complimentary HACCI beauty honey gift (valued at HK\$100). Celebrate Mother's Day with the finest honey experience.
